

BEFORE THE
POSTAL REGULATORY COMMISSION
WASHINGTON, D.C. 20268-0001

In the Matter of:

Ben Franklin Post Office
Ben Franklin, Texas

Docket No. A2011-24

**UNITED STATES POSTAL SERVICE NOTICE OF FILING CORRECTED
ADMINISTRATIVE RECORD -- ERRATA**
(August 1, 2011)

The Postal Service hereby gives notice of the filing of the corrected and complete administrative record supporting the Final Determination to Close the Ben Franklin, TX Post Office and Establish Service by Rural Route Service. Due to internal miscommunication, several items were missing from the administrative record filed on July 27, 2011. In the interests simplicity and convenience, the corrected version filed today completely supplants the one previously filed. New content that was previously omitted includes:

- (1) the index to the administrative record;
- (2) portions of item 7 (post office and community photos);
- (3) portions of item 16 (community fact sheet);
- (4) item 22 (returned customer questionnaires and Postal Service response letters);
- (5) item 36 (round-date stamped proposal and invitation for comments from affected offices)
- (6) item 38 (customer comments and Postal Service response letters);

- (7) item 41 (revised proposal);
- (8) item 45 (transmittal letter to Vice President, Delivery and Post Office Operations, from District Manager); and
- (9) item 46 (headquarters acknowledgment of receipt of official record); and
- (10) the round-date stamped cover sheet of the Final Determination to Close the Ben Franklin, TX Post Office and Establish Service by Rural Route Service posted at the Roxton Post Office, Roxton, TX 75477.

The Postal Service regrets the omission of these items. Since the facts found in the previously omitted material are replicated elsewhere in the administrative record, and since Order No. 765 (July 19, 2011) set today as the due date for filing of the record, interested persons are better off than if the incomplete version had never been filed.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
